# THE PREZ SEZ.....

There are those days that somehow get you down,  
but there is that someone that takes care of that frown.

He maybe a he or she maybe a she,  
at your beckon call when you do make a plea.

They are large and boisterous, always talking back  
they come in blue, brown and even jet black.

The spotted ones, they call them the clowns,  
they are especially funny when dressed in your gowns.

Some can't figure out what color they want to be,  
they are all God's creatures, don't matter to me.

There is always smile on that adorable face,  
and tongue to match with slobber to waste.

If you don't who I'm talking about and want to know at this time,  
IT'S THOSE GREAT DANES WE LOVE AND I'LL END THIS WITH A RHYME!
