THE PREZ SEZ.....

A DANES BEDTIME PRAYER

Now I lay me down to sleep,
The queen-size bed is soft and deep.
I sleep right in the center groove,
My human being can hardly move.

I've trapped her legs,
she's tucked in tight,
and here is where I'll spend the night.
No one disturbs me or dares intrude,
Til morning comes and I want food.

I sneak up slowly and it begins,
My nibbles on my human's chin.
she wakes up slowly and smiles and shouts, "You darling beast! Just cut it out!"
But morning's here and its time to play,
I always seem to get my way.

So thank you Lord, for giving me,
this human person that I see
The one who holds me close and tight
and shares her bed with me at night!

Ch. Etal Willheorwonthe Sanroquend CGC X Naples I Dream Of Jeanie

We are thrilled that Evie has achieved the **GDCA Register of Merit Producer**, **GDCA Honor Roll Producer** and **GDCC Producer of Merit** (all from one litter). She not only contributed her solid structure and type, but also passed on her sweet and loving temperament. Brood bitches like her don't come along often, so we feel honored to have her not only in our breeding program, but in our hearts and lives as well. This Naples SanRoque line-bred litter, out of Evie and by Pono, completed their championships with style and speed, *all handled to perfection by Dick Schaefer*. Each one of them won majors at Specialties or BOB from the classes.

Evie & the Naples SanRoque family are so proud of her Champion children:

Thank You — Pet Expo

A belated thank you to all those individuals and the club who supported this year's events in April. It's hard to balance dog showing and all the other activities, so it is very appreciated for everyone's efforts! Special thanks to Pat & Bob Schempp for again coordinating this year's Pet Expo!

A Note From The 2013 Show Chair

I am working on compiling a notebook for the club that outlines what all the different committees, volunteers, etc. did to make our specialty a success. This will be a help in organizing future specialties to a successful outcome. I'd like to request each committee member, volunteer and/or club members that helped in any capacity to write out what they did to make our show the success it was to be included in a notebook for the club. Then hopefully we will have something any club member will be able to look at to see where they might like to help with our specialties in the future. Any suggestions you feel would make it easier for volunteers or the show in general to run smoother, please include them as well. Nothing is too minor or too big to include. If you have any questions, please let me know at bilmardanes@aol.com. Thanks! Maggie Foerschler.

Nomination Committee

Four (4) nominees plus an alternate will be nominated at the September General Meeting which will complete the Nominating Committee. The Committee will meet prior to the November 6th Board Meeting to select the 2013-2014 slate/nominees for Officers and Board of Directors. The requirements for selection for the Nominating Committee and Officers/Director are per Article VI. See list of member attendance eligibility in this issue.

Another Successful Specialty !!

Many thank you's go out to all the volunteers who made this year's GDCC Specialties a success. Along with a great entry and hard work from our membership, it was fun weekend! Great raffles, great food, and great fun!

This year we had a candid photographer, Mary Lynn Machado, a professional graphics artist, also taking pictures. She has compiled a book out of the hundreds of beautiful pictures she took. Go to <http://www.blurb.com/b/4399571-great-danes-around-the-rings> and take a look at it. It's still available for purchasing. You can also go to her web-site <http://www.grafiste.com/> to review her other work from other dog events.

☺ Miss Pickles had an agility trial May 3rd & 4th at Lake Skinner in Temecula in 90+ degrees and was running like the wind! Our 1st run Pickles had the zoomies even ran out of the agility ring then back in so that was "off course" -NQ. But we got it together and Q'ed in Novice Gambles which gave us our title and moved us up to Open Gambles. Pickles Q'ed in the next day to my amazement! ☺ Dana's Baby Mantle Boy "Tari".....**"AS SEEN ON TV!!!!!!"** I just wanted to let all of you know that my Mantle boy "Tari" was featured, representing our breed on Animal Planet's "Too Cute" Tiny Giants. The show originally aired in March & is now showing in reruns. "Too Cute" is an hour long show that follows different breeds of puppies through their first weeks of life. Tari is featured on the same show with "Keeshonds" & "Cocker Spaniels", so look for those breeds in the information box of your local listings!

The show gave everyone a fictitious name (with the exception of his Mom "Tyla"), so Tari will be playing the part of **"Marvin"!!!** You be able to recognize him by the two black spots on the top of his head!! You'll also get to see his two sisters with him on the show. Hope you get a chance to watch it!!!

Rescue News

Recently, the Southern California area has had over 20 Great Danes entering into rescue. Thanks to those who open their hearts and homes to rescue, they have managed to take care of this overwhelming number of Danes in need.

Last week, in the streets of Los Angeles, Charlie a mantle Great Dane, was found tied to a pole by a heavy chain around his neck. Bolt cutters were needed to free Charlie from his chain.

The Los Angeles rescue group who found Charlie reached out to Indian Dane Rescue for help with this beautiful Great Dane.

Thanks to Neet Dane Rescue and Indian Dane Rescue, dogs like Charlie are given the medical care, nourishment and socializing needs for a better life.

If you are able to donate to help with the rescue of Great Danes, please contact Neet Dane Rescue and Indian Dane Rescue.

Big Dog Corner

Rattlesnake Avoidance Training never crossed my mind until I watched in total amazement as Eleanor pounced 3 times (mind you) at a large snake. It happened so fast I could not tell what kind of snake it was until it was too late...I was standing right by her and the snake was an arm's length away not moving and I was completely powerless over the situation. The prey drive kicked in. If it would have been a rattlesnake she would have been in trouble. So off we went to Rattlesnake Avoidance Training this weekend. The organization I used was www.highonkennels.com. They train by sight, smell, and hearing. I highly recommend this organization and the training.

I sat down with Dr. Amy Carr of California Veterinary Specialist who said, "Feb 4th was the 1st rattlesnake bite of the year." Quite early for our 1st rattlesnake bite due to irregular seasons Southern California has been experiencing. Dr Carr agrees with the Rattlesnake Avoidance Training and is not sure how effective the rattlesnake vaccine is on the actual outcome on the pet but feels both would be the best protocol. Research shows the snakes are interbreeding producing neurotoxic and hemotoxic bites. The neurotoxic bites are far more toxic and are a true emergency. According to a UC Davis Veterinarian, the month of April has seen more rattlesnake bites than all of last summer. It seems the rattlesnake bites are being seen closer to the coastal areas. Due to the fact that the vaccines have questionable value along with no substantial difference in treatment, Avoidance Training is the way to best protect our dogs.

For all our Big Dog "Old Timers" having trouble with movement Judy Murdock has a product to share:

I have been using the Finish Line Fluid Action HA Liquid for 10 months now and it has made all the difference in the world for my 10 year old bitch. She used to have trouble jumping up on the bed but now she does it with ease and is even playing with the 5 month old puppy. After the initial load dosage, I only give it once a day. She is not fond of the citrus taste but she tolerates it. www.equestrian.doversaddlery.com Judy@SirBluDan.es

As always use good judgment in the health and welfare of your big dog. Remember to consult your regular Veterinarian when you have questions and concerns!
